SPRING CAMPOREE

On the weekend of Spring Camporee, April 21-23, Troop 101 brought 9 boys to Camp Belzer for a weekend of competition and fun. The theme of the weekend was Survivor. The boys who went to the camp created a patrol called Ridge 1. They arrived Friday night and set up camp. On Saturday morning and afternoon they competed in multiple stations like fire building, tomahawk throwing, first aid, and many more. They won awards such as 2nd place for First Aid, 2nd Place for Blind-Fold Tent Set up, 3rd Place for Plants and Animals Identification, 3rd place for experience patrol, tied for 3rd for Overall Troop and 1st place the Senior Patrol Leader competition. That night at the Campfire there was an OA callout which called out potential OA members who were selected by their troops. After the callout there was a Brotherhood Ceremony where a group of people sealed there membership in the order. They came back Sunday and all of them said they had a great time.
