Josh Kozicki – Second Bronze Palm

CITIZENSHIP IN THE COMMUNITY

In this merit badge you will explore the many aspects on how to be a great citizen in an even greater community. You will find out that there is more to that than you know. One of the more exciting requirements is getting to go to a city meeting of your choice. This can vary from architectural Review Board meeting to a Zoning Committee meeting. Not every meeting is the same and that is the beauty of it. If you feel it is time to pursue this Eagle required merit badge you can contact Jon Brown at wildcatlawyer@yahoo.com

*“Leadership is the authentic expression of
who you are in such a way that creates
conditions for others to achieve”*

-Alan Medville

OCTOBER 30TH TROOP HALLOWEEN MEETING

The meeting was a lot of fun, and was to celebrate Halloween scouts and the adults came in costume for some fun indoor Trick-or-Treating.

TOUR DE TIPTON CAMPOUT

What a fun and very wet Tour de Tipton. There was lots of liquid sunshine on Saturday the 18th. After arriving at Teter we got wet and hung out under the shelter. Bowling at Suburban Lanes was fantastic as usual. The owners were very generous in letting us take over their lanes for a few hours. Pizza Shack was great. We ate a great meal together and had a very good time as a troop. Thor Ragnarock was a cool movie to see at the historic Diana Theater. We all then got to sleep in our own warm beds that night!

And a special thanks from
the Bowling Alley

Thank
You

*I really appreciate
you bringing in the
kids. They've always
been a well-behaved
bunch. I'm leaving
you in very capable
hands. Have a fun
time. Bob*

Patrol Updates

The Noble Knights met up on Halloween and went trick-or-treating together.

The Atomic Penguins (and Graham Bailey) did a patrol outing/service project on Saturday, November 11th. They swept floors, hung drywall, installed insulation and removed debris. Afterward, they met with the building architect to fulfill requirement 3B of the Architecture merit badge. They capped the morning off with lunch at Culver's.

Order of the Arrow

On November 10-12 members of the Order of the Arrow went to camp Belzer for LLD (Lodge Leadership Development). They had fun in lessons about leadership and how to react to different situations. All new chiefs and secretaries to chapters all across the council came. On Saturday November 11 there was the 2017 lodge banquette. There was food, door prizes, and much more. There was a guest speaker whose experiences will change young boys lives for the better.

Troop Calendar

- Dec. 4th Court of Honor
- Dec. 11th Troop Elections
