# Fall Cook-O-Ree

We left for the campsite at 6:30 and arrived at 7:00. We got there, set up camp and went to cracker barrel. In the morning we made our breakfast in many different stations. Next we went to many different learning stations about cooking. Once we were done with the stations, we headed to lunch which was more food stations. After that we started the competitions. We then ate our delicious dinners. Then we had a HUGE bonfire and played games till it was time to go in our tents. We woke up the next morning packed up and started the drive home.
