Summer Camp

Summer Camp On 6/13 to 6/19

At Camp Ransburg, it was very exciting to be back after a year off.

The weather was hot and dry without much rain until last day.

Many scouts earned Firecrafter Ranks of Camper and Woodsman. Ben Enas, Sam Rinker, Jared Oelschlager, and Liam Shepard earned Firecrafter.

There were many merit badges earned and some scouts who did Wilderness Survival and Horse Trail Riding overnights.

The Lake Monroe water was really warm for taking waterfront badges and activities.

The food was very good and plentiful. Wednesday night's dinner was the best.

We missed the final night's campfire due to strong storms in the area but we all survived.

I hope more people join us next year to see what fun we can have.

Announcements

The Senior Patrol Leaders would like to thank all of the people who helped out during their term. I know that I speak for myself, Anthony, and Sam when I say that we all really appreciate all of the other members of the Patrol Leaders' Council that helped to plan a good upcoming schedule of events for the troop.

There were also plenty of other scouts who made our jobs easier by pitching ideas and providing opportunities for patrol outing ideas and service opportunities. Also, we are grateful to the adults who helped provide guidance and positive ideas for the troop. I am looking forward to what the troop has in store for us!
